Dear [Beneficiary Name],

We hope this letter finds you in good health and high spirits. As a valued member of the Solis Medicare community, we are pleased to inform you about an exciting opportunity to enhance your healthcare experience in the upcoming 2026 calendar year.

We understand the importance of comprehensive medication management in ensuring your well-being. That is why we have partnered with Aprexis Medication Therapy Management (MTM) Program, designed to provide personalized support and guidance tailored to your unique healthcare needs.

Key Features of Aprexis MTM Program:

- Personalized Medication Reviews: Identify potential issues with current medications.
- Customized Medication Action Plans: Develop plans to address concerns and enhance adherence.
- Education and Support: Empower you with knowledge and tools for effective medication management.
- Regular Follow-ups: Ensure ongoing effectiveness of your medication regimen.

Am I Eligible?

To qualify, you must have at least 3 specified conditions, take at least 8 covered Part D medications, and anticipate medication costs exceeding $1,276 per year.

Participation is cost-free, offering you the opportunity to actively manage your health with support from experienced healthcare professionals.

How Can I Participate?

If eligible, you will receive a separate communication with enrollment details.

We are committed to enhancing your healthcare journey, and the Aprexis MTM Program is designed to positively impact your well-being. Seize this opportunity to actively manage your medications for better health outcomes.

Thank you for entrusting us with your healthcare needs. We look forward to supporting you on your path to optimal health in the coming year.
